

FFA Jacket Order Form

October 10, 2018

Having an FFA jacket is not required but is recommended. Students feel a sense of ownership to this great organization when they have their own jacket with their name on it. As students become involved there are many times that they are required to be in official dress. We will no longer be lending jackets - you must have your own to participate in activities that require official dress.

Name: _____
(print) this is how it will appear on your jacket

Size: _____ consider how many years you have left in FFA and how much more you may grow. Look on ffa.org for sizing information. (It's not just S, M, or L look on <https://bit.ly/20SNNva> for sizing guide!!!)

Jackets orders and payment is due by October 10, 2018 the cost is \$65.00 (includes tie or scarf). Please pay at the office and return your receipt and this order form to your advisor by the due date.
